“ I would like to extend my Sympathy to you and your family. Your loved one was a truly great man. As one of my high school teachers he took a young student not much interested in English Lit. and turned him around into one that gained a love of it for the rest of his life. He was a friend to all who saught him out. We will miss him.

My you have God's comfort and peace

“ My prayers and condolences go to all of you.

Mr. Keller gave himself to being the stable foundation of District 200-U for so long, it's still hard for me to imagine Beecher without him. He led by quiet example, stepped up to the difficult parts of the job humbly, but not hesitation, and practiced the virtues he expected of us on a daily basis.

I don't know how many times he both encouraged and enabled me in my growing years. He would even substitute teach when no other was available, an occasion we learned to anticipate with interest, as he always had a little extra something to add to the lesson plan, even out of his field.

Thanks for loaning him to us for so long.
