“ Linda, your husband had a smile that just warmed my heart. It was like a little boy who had his hand in the cookie jar. The times we went out to dinner with you and Steve I will cherish. Merle and I will miss him so very much. I loved driving by your house and watch him with your dog, I would laugh all the way to work, they just didn't match. Thanks for being our friend and we are here for you. Love Merle and Bev

“ I've known Steve since we were 8 or 9 years old. Both of our dad's served on the Volunteer Beecher Fire Department. We spent many 4th of July celebrations working at the park with our dads. We went to high school together and I spent many hours at the Schmitt house playing Yahtzee with Marge; watching the Cubs on tv; and listening to country music. Steve married Linda (his high school sweetheart). I went to his wedding and he and Linda were at mine. When my husband passed away, Steve was a pallbearer. We were literally life-long friends. He was a good man and a genuinely nice person. I will miss you my friend.

“ Our hearts are broken in Arizona. Steve will be dearly missed. He was a man that loved and cherished life. He brought happiness to everyone he spoke with. Steve would help out anyone without thinking of his own health. I sure will miss my shoveling and snow blowing buddy. Beecher will truly miss what a wonderful man he was. Our hearts are with his family at this time. Take comfort in knowing that he was a dear friend to all. Love, Carol, MIkey, Cheyenne & Torree Indicavitch

“ Linda, Kristina, Randi, Denise and Melisa,
It’s been too long since I last saw all of you. Steve became an instant childhood friend when we met at Boy Scouts and he remained my friend through high school and beyond.
Scouting, camping, or just hanging out! We had a lot of fun!
I often came home with Steve after school to watch Ernie Banks and the Cubs with Mom (Marge) and drink RC cola!
One of my favorite memories was when Denise was very young... Mom got a magazine which contained a sample of a new “light day” feminine product. Denise knew exactly what it was! She pulled it out of the magazine and promptly put it in her shoe! We laughed for days!

I’m hoping you have wonderful memories of the time you and Steve had together.

Thinking of you all,
John Sennholtz
