“ Dear Mike and ALice,

Please accept my most sincere expression of sympathy regarding your Mother's passing. During the time that I have known Thelma, She accepted me as one of her own; She provided needed counsel from time to time, and we had many good times just driving around and talking and listening. She enjoyed visiting the many horse farms in the area and especially liked visiting my horses at Balmoral. I pray that her rest now is peaceful and eternal with God our Father.

Love you,
Ben

“ Dear Mike, Alice, and family: my heart hurts with yours as we all mourn the passing of this great lady. Heaven is so much the richer, and we who remain behind are so much the poorer, for her transition! But we give thanks that she is at peace and out of her earthly pain and suffering. May God's best blessings be on all of you as you celebrate her life and recall all that she meant to your family and her friends. Wishing you the peace that passes all understanding,
"Dr. Ann"
