“ I haven't seen Adam since we moved to Florida in 2002, but I have fond memories of his childhood and the vacations in Mexico..12 year old Adam & his cousin, Houston, snorkeling in the ocean, finding special shells, observing the colorful fish and ogling the topless European girls walking down the beach! Or on another Mexico vacation when he and friends went horseback riding down the beach. Another memory of fun times on a family Caribbean cruise with his other cousin, Wyatt..staying up late, eating their fill of pizza, playing video games in the arcade or shooting baskets on the basketball court or swimming all day in the pool. Remembering the time our dog, Gator, escaped from our yard and went around the Homewood neighborhood collecting every size and shape ball that he could find (baseballs, beach balls, basketballs) and taking them all to Adam's house! Why we will never know! These are memories that will stay with me forever.

Adam was a good kid and I know he grew up to be a fine young man. It is unbearably sad that he was taken away so young with so much more of life to live. He will be sorely missed by all who knew him.

His loving aunt,
Alice Trant

“ Adam was a great cousin to have. He will always be remembered, forever missed. The memory I want to share is: I remember having fun with my cousin Adam stone skipping stones from the shoreline across Table Rock Lake in Missouri. Adam was age 2 or 3.
