“ I lost a true friend and have the greatest memories from eating homemade chocolate pudding and tapioca while watching The Carol Burnett Show to those endless summer vacations. Can't forget Harold's red convertible that Amy drove with one thumb on the wheel while heading to Florida. Let the good times roll.

Can't forget Harold's red convertible that Amy drove to Florida with one thumb on the wheel going 80 mph. Let the good times roll.

“ I am still in shock over this. I knew you were sick I just had no idea how sick. I thought of you often and prayed for you when I saw a commercial with THE BAHAMAS in it. I am fortunate to have many good memories with you and your family. My sympathy to Jodi, Chad, Juli, Shirley and Eddy. May you find comfort in the days to come knowing that she is with our Savior, Jesus. Juli you hit it when you said she would be back with her Dad, God only knows what they are up to in Heaven!
