“ I am the girlfriend of Phillip Ravesloot, (Eldest son of Arlene) I was blessed to meet and get to know Arlene 2 1/2 years ago. She was a wonderful woman. Very positive and a great sense of humor. I always enjoyed talking to her weekly on the phone & texting her often. She would tell me about the fun she had in playing Bingo & other activities with her Ladies group. Arlene always texted her son Phillip and looked forward to his phone calls every Sunday.

I will miss her.
