“ Geri, and the entire Phelan, Family we are so sorry for your loss. The first thing I thought of when I heard about Bernie's passing , was the night in Tom and Sue's backyard, when Johnny Cash died, and he was interviewing everyone with the Toy recorder. We laughed until we couldn't breath anymore. He will always be remembered for his Paul Bunyan size Cinnamon Rolls and Ravioli. Forever in our hearts he will be. May He Rest in Peace 🙏💔

So very sorry for your loss. I will always remember the handsome dark haired crooner with the fake hair piece in his shirt and homemade microphone singing his Johnny Cash songs and others with more enthusiasm than the original artists could do. He always had a comedic reply to every conversation and being around him There was never a dull moment! Rest in peace Bernie we will never forget you!
