“ Dan & Family -
I'm so sorry to hear of your Mother's passing. I remember her well and have fond memories of her (especially in regards to band events)!

Here is a poem that I hope you and your family will be able to find some comfort in, in the upcoming days/weeks/months a friend shared it with me when I lost my Mother.

Joyce Cheney (Luecke)

MY MOTHER

*I walk upon the rocky shore,
Her strength is in the ocean's roar.
I glance into the shaded pool,
Her mind is there so calm and cool.
I hear sweet rippling of the sea,
Naught but her laughter 'tis to me.
I gaze into the starry skies,
And there I see her wondrous eyes.
I look into my inmost mind,
And here her inspiration find.
In all I am and hear and see,
My precious mother is with me.*

“ I was an officer with your Mom in our BNB Square Dance club. I remember board meetings around her kitchen table. I have fond memories of all the hayrides/bonfires that we had on the farm. Betty was always the punch lady for our festive occasions. We've lost a good friend. She will truly be missed. My condolences to the family she was so proud of.

“ So sorry to hear about your loss. My prayers are with your families. I remember your Mom and Dad. We were neighbors when we lived on the farm across the road from your mom and dad there near Beecher. We lived in the area until 1955 so it has been a long time. God Bless all of your families and God be with you during this time.
