“ Hi mom. it's your son lyle. It's been almost a year since you went away. There hasn't been a day that i haven't missed you or wished you were here. It has been very hard losing you. my world crumbled when you died. I'm still trying to pick up the pieces. I loved you soo much. You were the love of my life. And always will be. My health hasn't been to good lately. I may be seeing you soon. If so. leave a place for me at the dinner table with dad. I love you mom (carol) and always will . I will never forget you. or how much we meant to each other. You loving son

“ I was sorry to hear of the passing of your mom. She was one of the kindest person I have known. When my sister passed she called me at the funeral home. She never forgot me. I remember the good times we had when we visited aunt Verna and uncle Freddie and we played together. That was when we were in elementary school. We had some good times with your mom and dad. Your mom is at rest. We all will be reunited again. May God hold you in the palm of his hands. You will be sorely missed.
