“ I went to grade school with 'Charlie' .... knew him well ! We had a large group of friends that remained close all of these years. When Charlie and Bobbie bought the farm every year it was open house on the 4th of July. So many good memories of a hard working, generous man. He loved his wife, children and grandchildren. Charlie was a friend you could always count on. Rest in peace dear friend,,,,,,,,,

*I did not know Mr Peterson, however I know their son John and he is one of the very best persons I have come to know over the last several Years. My heart goes out to the family with their loss and any parent that could raise such a fine man of the utmost character like John, has to be a very great one. So with my sympathies and my utmost respect I hope that you all move forward knowing your father , husband, friend and much more hold him in your hearts forever but know he is still always there for you. He is no longer suffering and is in the hands of God. May God bless you all during this sorrowful time.*
