“ Joan and Russ, I am not sure what to say. I was stunned by the news when Mark called and told me what happened. Charlie was a great boy! I will always remember him playing with Roxie and Ringo and coming over after school. Even eating popsicles on the patio. May you both feel his love through his spirit each day. I am truly sorry for your loss. My heart aches for you and your family, Charlie was a wonderful boy and will be missed! The lord gained a very special angel. Thinking of you! Jennifer Cosenza

“ I went to school with Charlie as a young child until our early teens. Being able to grow up with him was a pleasure. Our class was very close and I still consider them family. I was heart broken to hear he had passed. I will always remember Charlie with a smile on his face. My deepest sympathy goes to his mother and family and to all the ones who had the privilege to love him. His mother has my continued prayers. may you find strength and peace. He was loved and will always be remembered.

“ I was blessed to meet Charlie while he was a student at St. Mary School. I was lucky enough to be his 8th grade teacher. Charlie had an infectious smile and could always make me laugh. He was one of those rare people who was always glass half full kind of kid. It could be years of not seeing each other and if I ran into him or Joan there was always a big hug and it was as if no time had passed between us. Charlie and Joan you both have a place in my heart, now and forever. Jill
