“ Rita told me about Clio's passing and sent me the obit. I have just looked through all the pics, and some I recognized, in the older ones, but how far apart we have become. I wish we could live closer but always treasure the time I brought my Mom (Aunt Leona) out to see you in 1983. Please know that my heartfelt prayers are with you all at this time. God bless you all and, if any of you get a chance, my email is enclosed so you can write to me. I would love to hear from any of you. We are all family!
