“ Dear mom I can't even explain the pain in my heart at this time, or how I felt the last moments with you. It wasn't suppose to be like this.

Although God has called you home and grandma and grandpa will once again hold the daughter they created together again in heaven

I still want to be selfish and bring you back, but I know that is not possible and God has freed you from all the pain, sufferage, and heartaches you endured giving you new life with wings to soar across the sky free of all being able to breathe and feel better than ever before. Nicholas, Zachary, Alysha and Luke and myself will not forget all the memories and times with love we had for so many years and the comedy that came with it. Those were the good days full of smiles and no heartaches. I love you mom. Fly high with the angels. Love always your daughter, Rhonda🙏🙏
