“ To Lyman and Family Mmembers, My sympathy and prayers are being sent to you and your loved ones. I was sadden to hear of the passing of your dear sister, Dolores. I visited a lot with Dolores when Dolores and you were both at our village in Kankakee. I enjoyed Dolores' company and also your company, Lyman. Dolores always would say "hello" to me and make me feel so good. Dolores' personality was such a gift and blessing. I remembering Dolores in our exercise class, in the main lobby. I would join in with the residents and Dolores liked to see me participate. Dolores had such an excellent sense of humor. We were also sit in talk in the cafe. My memories, of Dolores, are such fond ones. I can still see her sweet, gentle smile upon, her face, anytime I walked by, with Baxter, our volunteer Corgi. One of our staff members, who owns Baxter, would always make sure that either her or I or both would take Baxter to visit with Dolores. May the Good Lord bless you, Lyman, and your family as you reflect upon Dolores' life. Blessings of comfort, healing and strength.  
Sincerely, Chaplain Carole
