“ *Jill, I remember visiting your mom with you. She was a very sweet lady and she was always sweet to me. She showed me her pink fingernails one day and I remember another time she let me help her walk her to her room and I got to celebrate her birthday with her. I wish I had known her for a long time but at least I knew her for a few years. Thank you for that. My condolences to you and your entire family. Love you guys.*
