“ I met Edwin once. He was working with our community for Beaver Management. We are in Lake Killarney in McHenry county. Such a nice young man and very clearly passionate about his work with the Beavers. As president of our homeowners association, I wish to extend our sincerest condolences for the loss of this young man. My prayers for his wife, children, dad and the rest of his family. May God Bless you all and stay with you in your time of sorrow.

“ Jeff and family: I was saddened to hear of Edwin. There are no words I can say that can make you feel any better. Know that I respected the impulse you two had to find a different way to manage habitat. We wish you and the family peace.
