“ To the family of Fredric J. Riechers - So very sorry about your loss. When I think of Fred, I smile. He was such a great person - funny, caring, unpredictable etc. Looking at the beautiful video gave me some insights about Fred that I did not know. He was a fisherman - my father, Frank would have loved to hang out with him. He was a golfer - he could have taught my husband a few tricks.

Most of all, what I saw after he became a father, was the tremendous love he had for his children. Always remember that you were loved! And of course, how could you forget his contagious smile.

To his brother, David, have you found the best "basketball" to play with - perhaps you will remember an incident from our grade school days.

Love and peace of mind to all!

“ I didn't know Fred until I became his golf partner 2 out of the last 4 years. We had some things in common because he went to school with my wife Sandi Maddrill. We had a great time golfing and I learned a lot about golf and fishing from him. He was a very friendly guy and I loved spending time with him. I will miss his smiling face at Minnie Monesse.
