

George E Stadt

February 25, 1949 - December 25, 2024

George E. Stadt, age 75, passed away peacefully on Wednesday December 25, 2024. George was born on February 25, 1949.

George was married to June nee Rasche for 56 years.

George was drafted into the Army and served in the Military Police in West Germany. George's career was with the Will County Sheriff's Police. His favorite assignment was being a D.A.R.E instructor in local grade schools. He worked a post-retirement job doing building maintenance for Applied Systems in Monee, Illinois.

George enjoyed woodworking in his spare time. A lot of people have examples of his skills. He loved his animals so much. George is already being missed by his fur friends, Baby Kitty and Paco Bean.

The family asks that everyone remember George in their own way. That should bring smiles to many faces.

George endured symptoms of Multiple System Atrophy since 2017. He did his best to alleviate the symptoms by enjoying a daily breakfast at Yannis Café in Manteno, where everybody knew his name.

He is survived by his wife June; son Kevin (Hyun Ju Lee); daughter Kristen

(Matt) Pataky, He was a very proud grandpa to Skyler, River, and Rowan.

In lieu of flowers, memorials may be made to Trio Animal Foundation, medical care for homeless pets. Trioanimalfoundatiom.org

“ *Several things i remember about George. One, his endless sense of humor. He was always making jokes. When George and Chuck were doing a video for a class reunion I just remember we spent more time giggling than we did working. The other thing I remember about George was his unconditional love for June. I always felt she was the luckiest woman in the world to beloved by a man like George, George was kind and sweet and loving. My parents thought the world of him.*

my sympathies to the family for their loss. Rest in peace, George.

*George was a very special guy! He and my brother Dean, were classmates and good lifelong friends. They did a lot together and were "rascals" at times. I think of the two of them and the reunion they had in heaven!
Sending Prayers for the family.*

I don't have the words to say how sorry I am for your loss. George was one of my best friends and not only enjoyed his humor but also his love of his family. I worked with him for almost 30 years and on calls I always knew he had my back . We also worked in the D.A.R.E. Program together and saw first hand his love and compassion for the children. I know he is looking down on us with his great smile .
