“ *I miss you so much grandma. No one bothered to say anything in between of these years, but I just want to let you know that I loved you so much and I appreciate all you did for me. Especially for everyone. You're so kind, caring, and loving. You still were kind to people, even though the people you took care of didn't like you and complained. I love you for that. I wish I could say more, but i'm crying. I'm crying because I made a really long letter for you on this website a little bit ago, but I accidentally pressed something that got out of the web. Now, i'm just so sad that it got deleted and here I am, writing something again. I'm so sorry. I just want to let you know that I will always treasure the memories we had together. They will always be kept in my heart. Love you, and i'm hoping to see you one day in heaven or at least, see you in my dreams again. -From, your granddaughter, Jasmine*

“ My deepest sympathy for all of Gloria’s family and friends. Gloria was a fantastic friend who always was a ray of sunshine. Her positiveness showed how much she loved and cared for everyone. She will be dearly missed. I’m very sad but so very happy she is with God and Jesus! Her Christian love shined through her!
