“ *Dave, Gary, Sue and Todd,
I am very sorry to hear about the passing of your Dad. He was a special part of my life as I was growing up across the street. I will also miss seeing him sitting outside or working in his yard when I come up to visit Mom and Dad. Although I can't be there for the service you will be in my thoughts throughout the day.*

“ *So very, very sad....He was unique beyond words and one of the greatest mentors in my son's life. We will always miss that man...sitting in his driveway with his cigar or working on his grass...he was special. My heart goes out to his family...he and his wife did an awesome job raising their kids.*
