

Helen Joyce Metrick

September 24, 1932 - December 30, 2024

Helen Joyce Metrick was born in Sparksville KY on September 24, 1932. She was the second child of eight born to Mary and Carl. Helen was a woman of many talents.

Helen or Joyce if that's what you called her, was innovative, if something didn't work, she would figure out a way to fix it, that might be with duct tape and safety pins but she would get it working.

Helen enjoyed children so much, that at the age of 63 she went back to school and at 65 she got her Associates degree in Child Development and worked for a couple years with children.

Helen was a great mom to her three children, Geri, Linda and Brian, a great grandmother to Jim and Krissy and a great great-grandmother to Matt and Justin. She was also the best dog mom ever, just ask Rocky.

Helen was a dedicated wife, a wonderful sister, and a good friend. She lived her life to make the lives of others better.

Helen Joyce will be missed by many.

“ Just this morning 2/23/2025 I learned of Joyce's passing as we were in Florida at that time. Since we've been home we've been wrapped up in our own little world. My deepest sympathy to her family and my apologies for this tardy message.

“ I loved my Aunt Joyce. She had a heart of gold. I always enjoyed seeing and visiting with her. I will miss talking to her. When Joyce was with her sisters they were like 3 young girls again. Laughter and conversation would fill the room. My thoughts and prayers are with her family and friends.
