“ Mrs. Nicoson, Jackie, Kathy & Steve~
Please know how sorry I am for your loss of Jack. I hope it helps all of you to know how much he was respected & liked by all the Beecher folks. Whenever he saw me, he spoke to me & was always interested in what was going on in my life, would ask about my parents, & my cousins, etc. What a great man! I know there will always be a hole in your heart, but hold on to all the great memories you have of him. God bless you all...

“ We are truly sorry to hear of your loss of Jack. He was such a kind spirited man who always had something nice to say. Anytime we would see him at boys sporting events he was always quick to give a cheerful 'hello'. His presence will be greatly missed and we want you to know that our deepest sympathies go out to all of you at this sad time. We will keep you in our prayers.

“ Dear Family -

I was so sad to hear of Jack's passing. I fondly remember all the times spent with your family for our church student group, hot chocolate at your house after sledding behind the truck, and many other times! His never ending smile is always my first thought when I hear of his name. He was a wonderful man and I know he will be truly missed. I hope you can find some peace in the words of this poem....

HE WILL BE REMEMBERED

*A remarkable man is gone now,
and this world seems
a little lessened somehow
because he is not a part of it . . .
a little less wise and great,
a little less good and brave.
May it help to know that he
will never be forgotten
by those whose lives he touched.
And may your own cherished memories
bring you comfort.*

“ *My deepest condolences to your family in this time. I only recently met my neighbor Jack, but it only took him a moment to leave a lasting impression with me. His sincerity and integrity were palpable. He told me about his family and asked me about mine. And in a few short hours I felt as if we were old friends. I am truly grateful to have met this great man. And he will be in the thoughts and prayers of me and my family.*

“ Dorothy, Kathy, Steve and Jackie, Jack was like a father, a friend and a mentor to me. No matter what was going on in his life he always talked about his family, he loved you all so very much. You are all so lucky to have had him as your patriarch, he was always so up on life and always had positive outlook on everything from the weather to advice. I can only imagine how much you all will miss him, as I will. I will never forget the fatherly/business advice and talks about our futures that we had in your store in the old bowling alley with Les N. Much of the kind of person I am today, I can attribute to Jack. Please know that you all are in my familyâ€™s thoughts and know that our wishes to you are to remember all the good times and you will never have time for any sad thoughts. Good bye Jack, I will never forget you and all our great talks.

Love your friend, Jeff
