Jason was a friend to everyone he met. I had the privilege of knowing him for most of my life, from youth group when we were young and his kindness to all of us, as well as mediating fights with my brother and me, to reconnecting as adults. He was the first person outside my immediate family to visit my daughter in the NICU in 2015. I was always so happy to get to see him. And he always made such an effort to care for everyone. He was such a bright light. He will be greatly missed by the world.

I was saddened to hear of Jason's passing. I worked with Jason for many years at Graycor. He was a valuable member of the IT team and was trusted on difficult projects. He would help everyone. I remember that he was a big fan of Tundra pickups. Basically he was a great guy to be around. He will be missed.
