“ *There are so many memories we have of Jeane from childhood through our adult years, especially the catering at the fair and different weddings. We will always remember her as the woman in the picture, so happy and funny and loving. She is finally at peace and smiling again in God's loving arms. May God comfort you all.*

“ *So many wonderful memories of her, what a classy lady. Always fun to be around, words just can't describe how I am feeling. Everyone should have a neighbor like her at least once in their lifetime. May God comfort and bless her family.*

“ Jean was the first person to welcome me in the family. I visited her at Miller but she did not know me. So sorry that she was unable to know the people that loved her. I know that Jesus was waiting to pick her up into his arms. I am so sorry for your loss.
