“ Jill,
No words can fill the void that your mother has left behind. I am so sorry for your loss. Your mother was such a beautiful loving, caring woman, mother, & friend to all. I know how very close you two were. They say God does not give us more than we can bear so it is comforting to know she will be watching over you from above. Please know that I am thinking about you and your family and sending you lots of hugs and prayers. Love to you and your whole family.
