“ Mom and I went to Karen's ceramics class for over 40 years. Karen never let us graduate. This way we had to keep going to class! And during that time we made so much history with Karen and friends. We had wonderful experiences and will never forget the laughter. We will miss her hugs and the never forgotten "Love Ya". We will always thank her for opening up her home. The "Book of Ceramics" is not closed. There is no end as Karen is in Heaven having classes with the angels and continuing to write chapters in her book. Karen, we know you are enjoying lots of chocolate, coffee and more laughter. We thank you for all you did for us. You will be missed, always loved and certainly never forgotten. We "Love Ya" back Karen - forever. Gayle and Joan Gutkowski
