“ So sorry that she has passed. As a child, I loved watching her play piano at the church, I appreciated her friendly hugs and I'll never forget when she and the family had me over on a Sunday afternoon and she introduced me to her Tuna casserole (unforgettable). Such a sweet person.

“ My thoughts and prayers go out to your family during this time . She was such a sweet woman and I am so glad I was able to see her a few times once in July in which we had an awesome time chatting about the good old days and then this last Thursday when it was a time to say my final goodbyes . She will be missed but is at rest now and has joined love ones and friends who have gone before her and will be with her Heavenly Father for all Eternity .
