It is never easy to loose a loved one, especially when it is your parent. Just remember that the greatest pain is felt by those left behind and Uncle Leland is in pain no longer. My love to you both and your extended families. You are his greatest legacy.

“ Lee and Nancy were good friends and spent many good times together.He was a strong Chritian friend and a testimony to others in his faith. We know he is rejoicing with Jesus. May God give you comfort and strength now and in the days to come.
