“ So many precious memories of Aunt Leona, being a little girl and falling asleep listening to classical music with her, sitting up late during our visits playing scrabble and then after her sight failed her listening to stories from her childhood. We'd ask her to tell us our favorite stories of her memories and she'd tell it again and again like we'd not heard it before.
God blessed us with a special aunt and I'm sure that I can speak for all of us that we are very thankful!
Rest In Peace Aunt Leona!❤️
With love, Jeanne
