“ *To the Family and Friends of Lyman, I spent many days and early evenings having conversations with Lyman. He was always so interesting to talk with about his farm and his life as a farmer. Lyman was such a good conversationalist. We talked on a variety of topics. Lyman loved his farm and always wanted to go home to live on his farm. Lyman talked about his dear wife and sister as well as his other family members.*

May the peace and comfort of our Lord be with you and your family and friends. Blessings of remembrances, Chaplain Carole R. DiZeo Director of Spiritual Care of Presence Heritage Village
