“ *Marge, we started our Scot Lad careers back in 1968. I will always remember your heart warming smile and great laugh. You, along with Ron and Ed, made sure all 5,000 of us got our check each week.. You even shut the lights off as the last one leaving One Scot Lad Lane.*

I know that you will be missed by all your friends and relatives but will be greeted by many wagging tails as you enter your next life.

“ Dear Nick and family,

I am so sorry about Marge's passing. She is a truly great lady. She forever changed my life by teaching me about dogs.

I went to K-9 Training Club with my first dog who needed help and I had no idea how to help her. After much struggle, I walked into the Thornton Rec. Center with Shadow barking and lunging. Marge walked up to me and asked if Shadow and I would go outside with her. I said yes. After putting a training collar on Shadow, we went outside. Standing on the sidewalk, Marge took Shadow's leash. She assured me she would not hurt Shadow. I knew she wouldn't. Dogs started walking up the sidewalk toward Shadow and Marge and of course, Shadow reacted. One, two, three, Marge corrected Shadow and soon, Shadow was sitting at Marge's side. It took many, many, many more lessons for me to learn how to teach Shadow how to behave. Marge stayed right with Shadow and I.

Not only am I grateful to Marge for sharing her love and knowledge of dogs with me, I am grateful to have had her as a friend. I have many, many memories and cherish them all. In her memory, I have put a new frog from my garden.

With love and prayers,
