“ Sue, Jerilyn, Mike, Tim (and all of the step-children and grandkids), Our hearts go out to you at this difficult time. We're sorry you're going through this and share in your sorrow. Aunt Marge was a kindhearted, wonderful woman and will truly be missed. As cousins, we shared much growing up together. There were many good times and fond memories of your Mom. Being separated by many miles is difficult, and I wish we could be with you to celebrate her beautiful life. May the great memories you have of her provide you with comfort and peace during this challenging time. Her memory will forever be in our hearts. With heartfelt condolences and love,  
Larry & Kim Maher
