“ Mark was a good man, always to be remembered. I was fortunate to work with Mark at Montgomery Ward's, North American, and First Options/Goldman Sachs. My first recollection of Mark is at Montgomery Ward's, he had a bushy handle bar mustache when I met him. Later at North American, when we were introduced, I asked him are you Mark Brown from Montgomery Ward's, he said yes. It's truly a small world. Later, we worked together at First Options. I don't think, I've ever worked with someone at more than two places. I know he loved golf, when at FOC, he always had a set golf date. Mark was a gem, he had a great sense of humor, he could give it and take it. So glad we all got to see you again last summer. Will miss you. RIP my friend. To Mark's family, so sorry for your loss.

“ It was with much sadness that that I heard of Mark's passing. It is such a loss for his family and friends. Even before I worked with Mark he was memorable as the guy with the mischievous twinkle in his eyes. When I did have the privilege to work with him for 2 years, I found him to be a generous person, with his time, his knowledge, and his humor. He is very much missed by his friends at work. My condolences and prayers go out to his family.

“ *I'm so sorry to learn of Mark's passing. We worked closely together the last 5 years of his career and I have missed him since his retirement and I miss him more now that he has passed. I miss the animated political banter that we shared on almost a daily basis. It was friendly yet passionate.*

I truly want to express my condolences to his family. He truly loved his wife and children and was proud of all of them. His daughters made his life fulfilled with their enthusiasm for sports like golf and softball. He was proud of the fact that his daughters pursued the professions of teaching and nursing. He loved his wife and spoke fondly of her always and I am so sad that their time together was cut short too soon. My prayers go out to the family and to Mark, my good friend.

“ Sorry to hear of my first cousin’s passing. Lots of great memories of past holidays with Mark, his brother David and my sister Sally. We used to put on plays for the adults and I remember one time trying to perform like the Beatles as they had just started out. Mark was always the cut-up and made us all laugh. My prayers go out to the family and may God Bless Mark
