“ Gail, Lisa and Valerie, So sorry to hear of your Mom's passing. Gail I know I haven't kept up with you since we worked at Suburban Heights. When I drive by the 333 Dixie - I think about everybody. The last time I saw you your Son was little. I am sure he is all grown up now. I know you will miss Mom. I don't even want to go there. My heart is heavy for all three of you and the other extended family members. Know that you will all be together again. My prayers for you and your family. Kathy Ralston-Scalise

I pray that the lord gives you a beautiful spot next to your hubby, that you can be happy again. I`m not doing so well either. so I will be joining you soon. You were such a friendly,happy go lucky gal, I wish the lord could have left you around for a while, God bless you and keep you in his loving arms, as i know you were a child of God`s.
