Tribute Wall

“ To the family of the much-loved Melva Wehrmann,
Through our friend Gina, we have seen how much your Mother is loved and cherished. Your family enveloped her in love and caring which was so evident when a 92-year old is kept living with family and not put in a home. You are all so blessed to have had her this long! It is clear she is now with the Lord, and in a place where her body is new again. Our condolences during this time.
