“ *As a seven year old, Milt was the starting pitcher at my first Major League game. I knew how tough he was. It was against the Yankees in NYC. I followed Milt throughout his great career. I join in many praying for Milt and the Pappas family. I was able to talk to him at a Cracker Jack Old Timer's game in Washington.*

“ I met Mr. Pappas when I managed a sports store and made Cubs jerseys for an appearance and ribbon cutting hew was doing for the Limestone Little League. He got in touch with me and asked me how I knew what number he wore. And I told him I was a die hard Cub fan. Later on I made him another jersey for Alex to have. My daughter Emilie and I express our sympathy to Mrs. Pappas and the Arlis families. He will be truly missed

“ My husband Mark came home on his first day of a new job and he was so excited!! He said "I am working with Milt Pappas!" Mark was a huge Cub fan and Milt would stop by our house time from time to visit. He was always such a nice guy and even took us to a Cub convention one year-we had such fun.

My deepest sympathies to his family, friends & fans.
