“ I met Nancy when I first started working at Lori's in February, 2022. Although I had not known her for very long I knew I had already made a great friend. I told her I didn't know the first thing about golf but I would give it a try at Lori's. When I would come in to work, I would always ask how her day or evening had been. I really miss her even though I had not gotten the chance to really get to know her. I send my prayers to Jim (even though I have not met him) and the entire family. Maria Kypriss, co-worker

“ I want to share my memories of Nancy but I didn't know how to start. Friends told me to write from the heart but that is difficult because my heart is filled with sadness. Nancy was not only a coworker for the past 14 years but became a friend. Its the little everyday things I will miss. Her dry sense of humor and the way she would roll her eyes while making a one liner comeback. We would compare who got the most rain in their rain gauge after a storm. Talk about projects we were doing on our homes. Talk about her favorite sports teams and golf. She had a list of restaurants she wanted to try and we would talk about which one she had just gone to that weekend. She was a great lady and will be missed dearly by a lot of folks. Our thoughts and prayers are with Jim and the rest of her family. Joan Port
