“ I just Googled Florence and Anna Kregel of Beecher IL because I have their WWII War Ration Books. I see that Martin and Anna (whose applications and ration books I have) were the parents of Norman and Florence, whose ration book I also have. I always wondered who the people were that used this books during the war. Puts a real face on the time.

I'm the great granddaughter of Anna and Martin. Norman was my grandfather. I would love to see those books. My Facebook is Sara Ann (Kregel) Cannon
