“ Dear Jeff and Loving Family and Friends of Pat,
Oh what a priveledge to have known Pat! The first time we met, she was helping move my in-laws, George (her Brother) and Chris. She held out longer than most of us. I saw her on family occassions afterwards. Her strength and courage has given me and my girls so much to think about. I will never forget her kindness towards my daughter Missy and my son-in-law Mike. I thank the Lord and am blessed and honored to have known someone as courageous and so full of love as Pat. I am sorry for your loss and pray that time will help take away your pain. God is now holding you Pat. God Bless you.

“ Dear Jeff and Family;
My deepest sympathy on the passing of your wife and mother. I hope that your memories will help you get through this very sad time. I hope that someday you will smile when you remember her. I hope that you know that she is never far away and will always be looking over you from above.

“ Dear Uncle Jeff, Rodger, Lisa, Erin and Amanda: I am sorry to hear about your loss. Your mom was quite a trooper, holding on as long as she did. I think that says something about her fortitude and resilience. She was a wonderful Aunt, and I will truly miss her. She always laughed at my jokes, no matter how stupid or lame. And she was always a willing and responsive audience for my silly, little home movies. I appreciated her laughter. And I will forever cherish the support she gave to my mom, me and my family when my mom was going through her tough time, even when Aunt Pat was dealing with her own illness. I am glad I had a few times to talk to her over the phone this past year, as well as exchange written correspondence. I am sorry I will not be able to make it to the funeral this Saturday. I send all of you my love and support and prayers through the ether. Your entire family is in my thoughts.
Love, Jim
