“ Dear Jen and Karen,
I am so sorry to hear of the passing of your mom. You and your families were her pride and joy. She shared pictures showing your visits and displaying her fun loving attitude and smile even during her battle with ALS. She handled the disease with grace and peace. She shared her faith in Jesus which was an inspiration to me. HE is our Hope. May HE give you HIS peace during this time and the days ahead. You will be in my prayers.
Love in Christ,
Albert Gonas

“ Dearest Jen, Karen and Family, So sorry to hear the news about our beloved Aunt Pat. She was a blast...Always including us during holiday parties and impromptu gatherings when living in Lorain .I will never forget how classy she dressed and her frugal ways! When she first obtained her drivers license, she packed us up in Jarrets car and took us all for a ride, way before you kids were born. She was such a great listener and never judged..but had a way to light the way for the correct route in life's experiences. Her laugh and zest for life was wonderful. She always was kind to her sister in law, our mother, Darlene and her brother in law, Walter. She would come over for coffee, sometimes with your dad, Jarrett. Her love for you kids and our family was evident! We will always keep praying for her, Jarrett and you, the Stitak family tree. May God hold all of you close during this tough time. You are loved! Sincerely, your cousin Mary Margaret Jachym

“ We are sorry to hear of Pat's passing. She was my mother Geraldine Hagenow's neighbor. We always talked with Pat when we visited my mother. Later she would be my mother's neighbor again when they were both at Bickford House. We made a point to always see Pat when we were there as well. We know Pat went through a lot in the past few years so take solace to know that her suffering has ended. Our sympathy to all.
