“ I came to visit beautiful little Phoenix when she was about 2 weeks old. She was an absolutely perfect little princess. It gave me such joy to hold her & steal some baby cuddles. She was a perfect little blessing. God called her home way to soon. We all have a perfect little Angel in Heaven now. We send our love & prayers to Brittany & Ivory during these difficult days. May God give you comfort & strength.

Phoenix, I'm remembering Your sweet little smiles and how you snuggled right into my shoulder when I held you. Brittany, we are Praying for you and ivory, to know the peace of Jesus and to lean on him when days are dark. We love you both dearly. We're so very saddened for your loss .

Brit, you and Ivory are in my prayers. Although I never got to meet Phoenix, I looked forward to seeing her. I enjoyed seeing all the pictures you shared and I could just feel the love and adoration you have for her. I know she was so very loved by you and her sister and those that knew her. Such a deep sorrow that no one should come to know. Love you honey, and sending lots of love hugs your way.
