“ Mrs Davis was a second Mom to me growing up in Crete. She was always in great spirits and telling me and Scott encouraging words as we stepped into our teenage years. Great childhood memories that i will cherish forever. Thank you 🙏 my deepest condolences to my guy Scott, Larry and their families.

“ Dear Larry and Scott, there are no words that can adequately express my sympathy for the loss of your wonderful mother and my very special friend. Although I had limited mobility, Phyliss was there for me and made sure I got out of the house every week. We enjoyed eating out and went to several restaurants. She was my motivator. Losing her has left a hole in my heart. However, I know that she is with our Lord, and we will join her in God's time.
