“ I knew Randi back in grade school, she lived not far from me, we went to school together and hung out as kids when we were young. Very sorry that she left us too soon but she is with God now and no more pain. She will be missed by many and RIP Randi 🙏🥰❤️

“ *To my dear sister, I'm absolutely heartbroken. I thought you were doing so much better and then this happened. I guess mom needed some help up in Heaven with dad and our brothers! I will miss our talks, laughs, etc., but most of all, your hugs and smile. I am left with a void that will never be replaced, but just know that every single day you will be in my thoughts. I love you and miss you more than you'll ever know.*
