“ I have many memories to cherish of my Uncle Bob. I remember as a child staying the night with Aunt Betty and Uncle Bob and how they would always treat me as if I was one of theirs. For my 8th Birthday, he came to my house and video taped my entire birthday party. It was always nice to have a videographer in the family to capture our special events. I am blessed to have had such a talented uncle. May God comfort you Aunt Betty, Michelle, Chris and family.

“ I will deeply remember Bob Karko, he was a grand man with the warmest heart and personality and loved his family dearly. There is nothing Bob wouldn't do for you if it was in his power. When I was a little girl, he and Betty helped me and my mom out when our house caught on fire in Riverdale Il. and offered us to come stay with them in our time of need. He was a very generous and sweet man and he will be truly missed. God bless you Betty, Chris and his family and Michelle and hers. I will be praying for you all. Know he's no longer in pain and he's watching and helping you from above now. Love to you all. Teresa xoxoxoxoxo

“ I'll always remember Mr. Karko as a wise & noble man. He always was supportive of me & Chris whenever we went over to his home. He indeed had great knowledge about fishing & boating, giving us advice about the good fishing spots & techniques. He always let me borrow his life jacket whenever me & Chris went boating. Although he will be truly missed, celebrating his life is the best way we can remember him.
