“ I am so sorry...I had no idea that Ronnie had passed away. I thought of him today, and thought to call him to see how he was doing...we hadn't talked for some time (obviously). He was always so good to me, and my daughter. I lived next door to him for 8 years, and he was such a kind man. May he rest in peace.

“ To the entire Shadden family,

I have known Ronnie since a little girl and the whole Shadden family, he was always a very pleasant person to be around and very helpful when you needed him. I will always be grateful to him for giving my brother Chucky alot of help.

He is at peace now and is suffering no more pain, but he will be watching over all of his family.

I know you have pain in your hearts right now and will miss him terribly, but always remember the good times you shared with him and that will ease your hearts.

Love you all,

“ *I was there the night Ronnie asked Ursula's hand in marriage and we just knew he was the anchor to her "speed boat" life. Ronnie grounded Ursula in a way most people would have ran but Ronnie ran towards. The laughter and the tears they have both endured over the years tells a story in itself. We will always love Ronnie because he loved our Ursula, the children and extended family these many years. You will be greatly missed and you will always be fondly remembered.*
