“ *So sorry to hear of your loss. Rosella was a very special person. My parents, Elmer and Emily Hartog were good friends with Lawrence and Rosella. I remember sitting in their sofa while they played pinochle together 50+ years. They knew the kids would fall asleep that way! What a long and happy life she enjoyed!*

So sorry to hear of the loss of a dear lady whom was a very special in her family and friends. She was very classy and knew her through my parents Elmer and Emily Hartog. Yes they played cards together but her and her husband Lawrence were a big part of our lives and helping with the farm and his farm. He was a partner to my Dad on the farm as well in his farm. Yes they played Pinnacle throughout the years too. We will miss her and always remember the good times we had. May God be with you to give you strength through this time and will miss her very much.
