“ I remember making bologna and butter sandwiches with her as kids. Aunt Ruby and my mom had such great times together. Sitting in the back seat with Aunt Ruby trying to learn to drive and ending up in a ditch. Great memories of a great woman. Love you Aunt Ruby. May you rest in aust deserved pease. Love Sue

“ Some of the photos I have on my phone. I was one of her favorites. She had a lot of favorites. She told me when I was around 18 “if it’s not your ass, it’s your elbow”. Much love for you grandma ruby
