She loved animals and has even "babysat" critters that we were rehabbing. She and Bill were avid bird & squirrel feeders. They really enjoyed watching the many varieties of species that frequented their feeders, both feathered & furry. They have been faithful supports of Paws Critter Crossing, attending the yearly fundraising dinner and participating in many other fundraisers. Together, they currently had 3 dogs.

“ I am sad to hear of Sally's passing. She was such a wonderful person. She was caring and loving. I have many memories of visiting her house as children. She would take my sister, Hillary and I exploring around the neighborhood. I love you Sally.
