“ Gary, Sue, Doug and Kelly: I just read Scott's obituary in our local paper (Beecher). When I told my parents (Joe and Barb Onak) about it, my dad said that he remembered Scott as a toddler trying to talk to him before he knew how to talk. I remember babysitting the kids when I was 11'ish. On behalf of the Onak family (from South Holland) i want to extend our deepest sympathy on the passing of Scott. May he find eternal peace in heaven.

“ Gary and Sue.....Scott was always such an inspiration to our family...his strength while facing huge health problems never failed to amaze us. He was such a caring, and loving man with a big heart. He had a twinkle in his eyes that never went out....even when he was sick. We have so many good memories of him. Scott... we'll miss you sweet boy. Heaven is a much better place with you there. Love you!

“ To Scott's Family: I am sorry to hear about the death of Scott. It is always difficult to deal with the death of a loved one but especially when it is someone like Scott who had some many more years of life potentially ahead of him. May the God of Comfort give you the strength to endure as you grieve Scott's loss (2 Corinthians 1:3). Hopefully your fond memories of Scott can provide a small amount of comfort. Its safe to say that we look forward to the time when God will bring back to life our loved ones who have fallen asleep in death (Acts 24:15).
