“ I wish to send my sincere condolences to Dale and their family. I graduated from T. F. High School with Dale and Sharon in 1959, then reconnected at one of our reunions, possibly 40th. I've not been in touch otherwise, but I do certainly remember what a sweet person Sharon was as we hung out in our small group of good kids. Dale, Sharon, Mary Hughes, twins, Roberta and Rebecca Morse, Ken Loquist, Bob Lehman, Monte Gay. I got to know Sharon through that group and appreciated what a truly warm, intelligent and lively gal she was. She and Dale made the perfect couple, and I am not at all surprised they were married 62 years. Her death is a terrible thing, and once again I give my deepest condolences.

“ We have such good memories of times spent with Sharon and Dale on Apprentice Coordinator trips across the United States. From Portland to DC to New Orleans and points in between, we had some great times. She excelled at jewelry shopping! Sharon was such a sweet lady who always had a smile on her face. We looked forward to the snacks she would bring and playing many rounds of “Help Your Neighbor”, which she taught the women in our group how to play. Our hearts are broken at losing her and pray God’s comfort for Dale, her children and grandchildren.

“ We have wonderful memories of Sharon especially all the after church brunches. She was so pleasant to be with. We left Illinois almost 6 years ago and have always missed those shared meals. Sharon loved her family and loved being a grandma. God be with the family as they say goodbye until they meet again in Heaven.
